EBCE is providing community assistance during the COVID pandemic. More information can be found at ebce.org/covid.

We are here to help our community get through this. This presentation will focus on how you can access discounts on your electricity and gas bill through the CARE Program. More information is available at ebce.org/care.
What is CARE?
Qualified households receive discounts on their energy bills through the California Alternate Rates for Energy Program (CARE) Program. CARE eligibility is based on public assistance program participation or based on the number of individuals in your household and total gross household income. Participation in the program results in a monthly discount of nearly 35% on the electricity bill and a 20% discount on the natural gas bill.

CARE is available to EBCE customers, administered by PG&E, and funded by the California Public Utilities Commission.

Do I qualify?
CARE Qualifications

1. The PG&E bill must be in your name. (For sub-metered tenants, the energy bill from your landlord must be in your name.)
2. You must live at the address to which the discount applies.
3. Another person (besides your spouse) can’t claim you as a dependent on an income tax return.
4. You must not share an energy meter with another home.
5. You must account for all sources of qualifying household income and meet the program income guidelines.
6. You must notify PG&E if your household no longer qualifies for the CARE discount.
7. After you enroll, we may select you for income verification. You must provide proof of qualifying household income to remain on the program, including IRS tax returns. You may also be required to participate in the Energy Savings Assistance Program.
8. Your monthly electric usage must not exceed six times the Tier 1 allowance. This is the lowest-priced rate tier within PG&E’s standard Tiered Base Plan.
9. Qualification is based on the total income of everyone living in the home or participation in qualifying public assistance programs.
10. You must renew your eligibility every two years (or every four years if you’re on a fixed income).

During the COVID pandemic, PG&E will not be requesting income verification (7) or removing customers from the program due to high usage (8).
CARE Income Levels

Add all household members’ incomes from all eligible sources for your total gross annual household income. The total combined gross annual household income must be at or below the amounts showing in the following table.

If you have recently lost your job, even if you are receiving unemployment benefits, you may qualify for a discount through CARE program.

*Before taxes based on current income sources. Table data applies to residential, single-family customers. Income Guidelines are valid through 05/31/20.

Income Considerations

Household income includes all taxable and nontaxable revenues from all people living in the home. It includes, but is not limited to the following sources:

- Wages
- Salaries
- Interest and dividends
- Spousal and child support payments
- Public assistance payments
- Social Security and pensions
- Housing and military subsidies
- Rental income
- Self-employment income
- All employment-related, non-cash income

**PLEASE NOTE:** Your household income must meet the program income guidelines.

Government-issued stimulus checks do not count as income.

During the COVID pandemic, PG&E will not be verifying income but may do so in the future.
Qualifying Based on Public Assistance Program Participation

You may qualify for the CARE Program if you or someone in your household takes part in any of the following public assistance programs.

- Low Income Home Energy Assistance Program (LIHEAP)
- Women, Infants, and Children (WIC)
- CalFresh/SNAP (Food Stamps)
- CalWORKs (TANF) or Tribal TANF
- Head Start Income Eligible (Tribal Only)
- Supplemental Security Income (SSI)
- Medi-Cal for Families (Healthy Families A & B)
- National School Lunch Program (NSLP)
- Bureau of Indian Affairs General Assistance
- Medicaid/Medi-Cal (under age 65)
- Medicaid/Medi-Cal (age 65 and over)
